It was a pleasure to work with Harold at Enterprise. He was always full of fun and always told a good joke whenever you saw him. He will be missed. Prayers and Condolences for the Family in this sad time.

Russell was my first cousin on my dad's side.
I am rocking in the chair that he built my dad on his 80th birthday that my.mothet so graciously gave me when my dad passed.
Russell had an incredible sense of humor
Although I didn't see him alot in our older years, he still brought a smile to my face. I can see his face and laugh vividly. RIP RUSSELL.
Tell your sweet mama I love and adore her as I love and adore you
