“ *Joni, I am so sorry to hear about your mother's death. Raiford and I saw her at Starks about a month ago. She looked good that day, and I was shocked last week when I heard that she had become so ill again. She told us about your help during her year-long struggle. We could tell how proud she was of you and so filled with love for you. We will pray for you and your family as you deal with her leaving. Love, Edna Earle Crews, Crystal Springs, MS,*
