“ *When I met Ruth about 50 years ago, she made me feel like a little sister. I have always loved her and will miss her dearly. She has always been there for me and her family. She taught me how to do so many things like sewing, canning gardening and how to handle the different situations in life. She was such a loving and giving person and I will miss all the time we spent together...She made me feel loved I hope she knew how much she was loved and appreciated. Pat, Dickey and Dubby you all have a special place in mine and Herbert's heart. ...*
