“ *Barbara was one of the most beautiful people in this world. She was good through and through. She and I have been friends for many years. We spoke of going home. I know she was ready. The last time we talked it was with tears rolling down both of our faces. Now she is in the arms of her loving Father. She will be missed by many. To Barbars's children I don't know of a mother that loved her children more than she did.,*
