“ *Barbara Sojourner will always be remembered by my family as MiMi, a lady who loved to bake. She was always ready with cookies and tea cakes for me, my girls, and Bobby whenever we were around. It always made her happy when people loved the food she prepared. I remember spending her birthday at Olive Garden 14 years ago. It was the night before my youngest daughter was born, and we followed in that tradition as we celebrated hers and Gracie's together on many occasions. Barbara you will be missed and your delicious recipes you shared with me will be a tribute to your memory for many years.* 💜
