“ *Barry was a loving caring man. From the time I knew him at age 16. He always had others interest at heart. Ms Estelle I know you and all your loved ones will greatly miss Barry. We just have to accept that he is in a better place*

I have not known Barry as long as many of his friends but the 20 something years I have known him, it was always a joy to be around him. He always had a kind word about everyone. He loved life and he dearly loved his family and friends. Ms. Estelle there will be a vacant space in your heart for a while or forever but look at the brightest star in the sky and that will be Barry smiling down on you saying "I am ok Mother. You take care of yourself". God is going to hold your hand through this. We love you and the family.
