“ *Allison, Bubba, David and family - I'm so sorry for your loss!! Your mother - your whole family - is very dear to me. I have so many memories of times we shared in Lake Village. Never will forget Mrs. Betty's smile and her laugh. She made the best biscuits and gravy I ever put in my mouth!! I hate that she was sick and had to suffer, but I'm so glad she's in Heaven and illness for her is no more!! Love all of you so much and will keep praying for you. And, if I can do more, just let me know.*
