Ms Betty has always been a wonderful and beautiful woman and holds a special place in my heart. I remember meeting her when moved into the house across the street in April 1974. We had many laughs together and shared special moments together. After my back surgery and I needed help, she came to my side to help me. She will surely be missed. Paula, Regina and Laura, please know we are lifting you up in prayer and love each of you.

“ *The common thread through every comment about Betty which I've seen is how sweet and kind she was.*

*What a wonderful tribute to her, a legacy that is to be treasured!
And my memory of her doesn't waver from that — the first person Ted introduced me to, her kindness and welcome was unmatched!
That smile, her warmth, her sincerity held steady through all these decades.*

She may have started out being Ted's friend, but very soon, I claimed her for my own!

Betty's unconditional love will always be in my heart.

“ Betty was my dear friend for many years. I pass her house at least twice a day and I often interfered with her yard work by stopping for a brief visit. The last time I saw Betty, which was very recent, we had a good conversation in a local grocery store. I am deeply saddened by the passing of this sweet Christian lady, and will treasure many good memories of our long friendship.
