“ *I have known the Sykes for 44 years. When I think of Ms. Sykes, I think of patience and understanding. She was someone who you could talk to because she really listened to you. I spent many a day at her table talking. I remember she did puzzles. If that does not take patience then I do not know what will. I am like "I can make it fit" or I could cut this to fit. She was always so nice, kind and loving.*
