“ *Mrs. Billie was always such a joy to be around. She just had a natural way to make us smile and laugh. My daughter has down syndrome and they had a lot of fun together. Our condolences to Mr. Johnny Mack, her family and friends that were closest to her.*

“ *How special Billie was! She and Onnie Sellers and Earl Guess were the law in Georgetown and Copiah County. She was loved and respected.*

*I first met her on the softball field. Those Georgetown women could hit the ball, particularly over the heads of the opposing team. She could play any sport well.*

*Those of us who played ball with or against her could see the strong element of competitive strategy at work. I would not have wanted to play basketball with her--too close in contact.*

*As a parent, she invested time, energy, and skills in Union Academy, and she mothered two law-abiding children, who followed her example of hard work while having fun at life.*

*The ordinary miscreants in her court spoke of her fairness in dealing with them.*

*I know the family will miss Billie greatly--really the end of an era came with her retirement. May God bless you in your loss. Continue to make her proud.*
