“ Grammy was always "Mama Bear" to me and I have loved her for so many years! She was always quick with a smile and to share a laugh, give advice or just to tell you she loved you. From my teenage years until middle age, she was a part of my life and I will never forget her and all the memories shared. Not too many moms would want to road trip with their daughter and her best friend (and we shared several!) Thank you Mama Bear for giving life to my best friend, Beth, and making me a daughter by choice. I will miss you!

Beth, Dobie and Scottie...you were blessed to love and be loved by a wonderful mother and she was lucky to have such wonderful children. Through the tough days ahead, hold to the memories, the love you all shared and each other. You and the whole family will be in my thoughts and prayers.

*Love you,
Jolly*

“ I remember Bobbie as friendly and laughing. She had the easy friendliness of those who change locations through the military, and she had the gift of laughter she shared freely with others.

“ *Ms. Bobbie was an angel long before now. It is just now that her wings and halo were delivered finally. She was always compassionate and caring, very much in a grandmother-type way. She could be counted on to laugh with you in the good times and commiserate then reassure in the bad. I offer my thoughts and prayers to her family, and I wish you healing and love through this rough time. May she live on in our hearts until we all meet again on the farther shore.*

Mrs. Bobbie was such a delightful person to work with. She was like a grandmother to so many if of us at work. She could always tell when you were having trouble with something. She would ask us what the trouble was take time to listen and give us advice if we wanted it. She always asked about my daughter. I will miss her so much, but I am truly honored to have an angel like her in heaven to watch over me and my daughter.
