“ *Others knew Bobby better than I; he was busy helping Winnie Faye with whatever their girls were doing. Not complaining or making a fuss, he was kind, friendly, a good example to his daughters and others. Thank you for your many years of service as a true patriot.*

“ *I'm at a loss for words after my shock at reading this sad news this morning. Memories of our times in the Guard and Church flooded me, but another thought that entered my mind was what is the difference between a good man and a great man. It is a given that Bobby was a good man but I say he was a great man because of his life...his love of his God, his family, his friends and the direct and indirect influence he had on all who knew and loved him. Winnie and kids, you have my sincerest condolences.*
