

Brett Hollon

March 26, 2023

Brett Dwane Hollon, age 53, passed away on Sunday, March 26, 2023 at his home in Crystal Springs, MS.

He was born October 5, 1969 in Miami, Florida and is the son of John Allen Hollon and the late Molly Carawan Hollon. He is survived by his father John of Crystal Springs, MS, sister Dolora E. Tipton of Tampa, FL, daughters Amber (Ryan) Gilliam of Little Mountain, S.C. Kristin (Jarett) Baker of Fayetteville, N.C. as well as three grandchildren.

In addition to his mother, he was preceded in death by his brother, Marshall A. Hollon.

Brett was an avid outdoorsman. He enjoyed hunting, fishing, boating, and all wildlife. If he could've spent his entire life on a boat in the middle of the ocean, he would have. He was a big NASCAR fan and enjoyed attending races with friends. Brett worked mostly carpentry jobs and was exceptionally good with woodwork. He built many things by hand throughout his life. He was a very social person and made many friends in his hometown of Homestead, FL and in Crystal Springs, MS.

Funeral services will not be held, but in lieu of flowers, memorials may be made in Brett's honor to the Fish & Wildlife Foundation of Florida.

Condolences may be expressed to the family at stringerfuneral.com.

“ *Brett it's unbelievable to know that you are gone. In an instant the world changed and you were no longer in it. We have great memories of growing up and spending so many holidays together. Hide and seek was a favorite at our house and you hiding behind the chaise lounge on the patio and yelling “ feet don't count” when we found you will always make me smile. May you Rest In Peace now and watch over those you loved. You will be missed little cuz.*

Our sincere sympathies to your Dad, Sister, Daughters and Grandkids and family that loved you. Till we meet again.

Kristin, Amber and family. So sorry, prayers and blessings. From my the teenage days of snow skiing with Bret, to the pool parties with everyone in Davie and the recent Lynard Skynard concert with Bret. I am grateful for the many wonderful memories. Bret touch the lives of so many people with his kind, friendly and loving ways. I spoke to him often and he always told me how proud he was of his girls. He was blessed and he knew it. I will miss him but find peace knowing he is in a good place. Love and prayers to everyone. Joe K

“ *I have so many wonderful memories of my cousin Brett. Growing up together as children we had so much fun. I remember him tagging along with Marshall and I trying to do what we were doing. He was 5 years younger, so we didn't always want him around but we couldn't get rid of him! He was the cutest little kid with his blonde hair, blue eyes, always busy and always lots of fun. As adults we stayed in touch. My family and I were very blessed to be a part of his and his girls, Amber and Kristin's life. We spent many summers, spring breaks and holidays together. Our children, Jenna, Jake and Aaron had a special bond with him, great memories and he always made them laugh. Joe and him were like brothers and they developed a close relationship. I loved that he always took the time to make our family feel special to him. We all truly loved him and we are very sad he is gone. We are thankful for the time we had with him and our memories will help us get through this difficult time. May he rest in peace. We love you Uncle Allen , Amber and Kristin and are praying for you in this difficult time. Leslie Kalinowski and family.*

I wonder what happened to my notes about Brett, my youngest nephew. Lost in space?? I am lost in today's technology. Brett was a special part of our family. So many get-togethers, every holiday, birthday, and many sleep overs! A happy kid and grew up to be a big part of our family. Always a big smile!! Gone for now but together later 🙏❤️🙏 Aunt Dolora
