“ *I always had the feeling you saw the things of this world much more clearly than you could ever articulate. Now you can finally understand it all. Looking forward to meeting again in peace, love, and light.*

“ To my big brother in heaven,

We miss you terribly here but know you are excited to see momma and free from all pain and illnesses. Heaven gained an amazing angel with a heart of gold.

You have touched so many people here with your smile and big heart. I miss you everyday but take comfort knowing my big brother is watching over me now!!! Even the people at the little store were asking about you.

The man shack is bringing me smiles thinking about you. You will always be in my heart and missed here in Vultureville.

I love you more than the moon and stars. Fly high big brother!!

“ Was a great person. We drank coffee together on a few occasions, & always had me laughing. May you rest in peace man. Maybe gone, but not never forgotten!”
