“ *One of my dearest friends growing up. We shared laughter and tears but mainly many good times together. She loved James Brown's music when we were teenagers. I can still see her dancing to i eel Good...Papas Got a Brand New Bag. She was one of the most uplifting, upbeat person you've ever met. Beautiful smile, contagious laugh, beautiful blue eyes. We lost contact some years ago but she always remained in my mind, heart and memories. Rest in Peace sweet Carol Ann.*

“ I met Carol Ann at Key elementary and we were friends through junior high school and high school. We shared many adventures in our young years. She was always the life of the party. She had a wonderful and contagious laugh and the best sense of humor. She loved to dance and loved James Brown songs in her younger years and loved to dance. She was a beautiful blonde with the prettiest blue eyes. . She had the sweetest parents and all were welcome. We shared many wonderful days at her house planning what we would wear, where we would go on Friday nights. She was a beautiful spirit and beautiful lady. May she rest in peace. She will be missed.
