“ *I am so sorry to hear of the loss of Carol; she was a precious and gracious Southern woman. I don't remember ever being introduced to her, but I felt as though I had always known her--she had that kind of friendliness that values others. She was an artist and businesswoman this area needed during her working career. May you all be comforted by knowing how much respect and love we all felt for her.*

“ *She was Mama Carol to me, as I spent as much time at her house growing up as I did my own. She was so loved by me and my family and will always hold a place in our hearts as one of the kindest people ever known to us.  
Our condolences to the wonderful family she left behind. She'll left her mark on each one of you.  
One final memory of Mama Carol.....I'll never forget the delicacy she prepared me and Chris for breakfast whenever I spent the night at their house. It was sweet in the middle, yet savory and salty on the top.....strawberry Pop Tarts toasted with butter melted on the top! Hard to beat!*

*Love you all and our prayers are with you,*
