“ *Carolyn Morgan was such a beautiful person. She was very knowledgeable of the Justice Court system and didn't mind sharing her knowledge. My first encounter with Mary as a clerk was at one my first attendance of a clerk's conference and Carolyn greeted me with open arms, gave me her office number and said "If you need any help on anything, you can call me." and I did just that the following week and weeks after that. She was very polite and NEVER gave me a "I don't have time" moment.*

“ Carolyn was a gracious and capable lady who was highly respected throughout Mississippi. In many ways, her work as Copiah County's first-ever Justice Court Clerk defined that position. She was generous in sharing her knowledge and experience with her counterparts in other counties, and she performed all of her duties in conformity with applicable law and her own high standards of absolute integrity in all things. She was pleasant and easy to work with, yet firm and uncompromising when necessary. I am glad to have had the privilege of a lot of professional interaction with Carolyn, and the greater privilege of her friendship.
