“ *Carrie Mae Mohon was my father's (Allen Knox Mohon) half sister. I am Joseph Allen Mohon. In the 1950's, our family would visit Aunt Mae Mae and Uncle Kony (Kendle Sandifer) and their son, Jimmy, at the fork of the Utica Road and New Zion Road near Crystal Springs, MS where they ran a gas station. I would enjoy a RedRock Cola and Moon Pie treat from the gas station store. I was 5 to 10 years old. Allen Knox would die of heart failure in 1955. Our family remembers with warm kindness the generosity and helpfulness of Aunt Mae Mae all her years.*
