“ *Chuck taught my sister, Myrene, how to drive. All through her life she drove just like him - fast and faster. His mother would have had a fit had she known what her car was going through.*

*Chuck has been very dear to my heart since 1953 as I watched him grow from not much more than a toddler into a fine man. I have always loved him and even though I saw him sparsely as years went by, I will miss him just knowing he is no longer here. He was always smiling and lived his family and always was sweet to me.*

*Chuck was a loyal friend and a joy with whom to share Sunday School. I know he enjoyed those Sunday mornings even though Wally Martin never agreed to adopt him!*

*Dianne, our prayers are with you and your loved ones*
