“ *We don't know each other but our sons endured bootcamp @ Parris Island together Platoon 2044(Pvt Mailloux) and then continued on together @ Geiger and LeJeune. Joey let me know monday that Chase had not made it back to base and he just couldn't believe he was gone. Joey shared some pictures of Chase and said he would always be his brother. As a mom of a marine and 2 other sons my heart aches for you. Your family will be in my thoughts. Semper Fi,*

“ *My grandson, Nick Jackson, went to Jackson to leave with Chase for bootcamp at Parris Island. They spent the night there in a motel room and had a ball. Nick was on a 4-day pass and was at my house in Mandeville, LA when he heard the news. He was extremely upset. I am sooo very sorry this had to happen. There has not been one bad thing said about Chase. I know you were very proud of him. Please know that you will be in my prayers.,*
