“ Chassity is going to be missed by so many at MDES. I have many memories of her and one of my favorites are when we stood in the parking lot and talked for like an hour. We talked about anything and everything. She was the one I would vent to when I needed and when I had so many things on my mind she was a great listening ear. Another fun memory was when Jay, her, and I went to eat dinner after work one day. I am praying for the family and friends. She was the sweetest most kind person I knew and she knew what to say at just the perfect time. Will miss her deeply. Heather

On behalf of the security staff at MDES (Terry Harvey, Jerry Landingham, Trevor Harvey, Tiffany Jefferson, Demarcus Cheeks), we offer our most sincere condolences. She will be missed dearly.

I just want you to know that I never met Chassidy in person but she was my go - to on the phone (about 10 years) when I need help with performing certain task related to my job at MDES. “ *Dear Heavenly Father,
We come to you today, and ask that you be with the family and friends that will be missing her presences. Comfort their hearts, minds, and souls as they struggle to move on in this life without her. Give them peace of understanding that she is in a better place, with you, and she couldn't be more alive in your presence. We thank you Lord for the time you gave them her on this earth and the reassurance of meeting again, when they are to meet you in their time. This we pray in your holy son's name. AMEN*
