“ Dearest Chris, I can't believe your'e gone. I will always remember the fun we had together in school and at work. You made the job fun. Like we discussed if we can't screw around at work with each other the job would really suck. I will always keep a special place in my heart just for you and i will visit your grave often. I know you can't read this message but it feels better saying some things about you. Here on earth you would have laughed it off, but inside you truly were a sweetheart and all that toughness you showed I seen through to a sweet loving man that loved so many. I bet youre talking to my parents now bout the trouble we use to get into. Shhh, don't tell them EVERYTHING.... Rest in peace sweet Chris "hotsauce",

“ Chris was a wonderful young man and will be missed by many. May God give everyone in the family the peace that can only come from Him in understanding and moving on after this tragedy. Rest in the comfort of knowing that we have all lost a dear one but Chris is an angel of God walking the streets of gold in no more pain and watching over all those he loved on this earth. Prayers for all the family as you go through this time of grief.,
