

Craig Beall

July 3, 1964 - December 9, 2025

Craig Beall, 61, passed away December 9, 2025 at his residence. Visitation will be 12pm-2pm Tuesday, December, 16, 2025, as Stringer Family Funeral Home in Hazlehurst. The service will be 2pm Tuesday at Stringer Family Chapel with burial at Zion Hill Cemetery.

Craig began at a young age to show interest in fishing and hunting and joined in with his daddy, Lee Beall, every time the chance arose. As he grew older, he started riding motorcycles and three wheelers and was a daredevil at both. As his teenage years came around, he grew a very strong interest in racing. This hobby stayed with him and mechanicing became a way of life to him. His racing and mechanicing skills worked hand in hand to bring him to being very well known for both. He had numerous vehicles that he built for racing from the ground up that were some of the best. He became hard to beat. Almost impossible. He continued racing and mechanicing well into his late thirties and early forties.

He worked for Copiah County as mechanic from 12/01/04 to 07/16/2014. In December of 2014 he was hired as state maintenance technician and continued there until 10/31/2018. On 11/01/2018 he transferred to the Hazlehurst branch of MDOT and was employed there until his death.

He grew interest in cattle, riding three and four wheelers and challenging

himself on his tractor with the upkeep of his land. Riding his side by side became a pastime for him as well. His ability to weld aided him in learning to make bottle trees. He was a jack of all trades.

Sitting around the campfire and cooking on the grill was something he enjoyed. He was known by many and will be well missed.

He was preceded in death by his parents, Melving Lee Beall and Gertrude Elizabeth Erwin Beall.

He is survived by his son, James Craig Beall, Jr (Audra) of Wesson; sister, Sherry Beall Kinstley of Wesson; grandson, Justin Lee Beall; and nephew, Sidney Edward Kinstley, Jr.
