“ *To Dana's entire family: Your strong support of Dana was something to behold and without you, she could not have fought as she did. She will be sorely missed, not just by all of you, but by all who knew her and marveled at her courage. God bless each of you and be with you in all the days ahead.,*

“ *Bill, we are praying for you and your family as you grieve Dana's passing. I know that you will always feel her presence around you as she watches over you and your children. May you feel Gd's peace as He holds you all and carries you through this most difficult time. The raw edges of this loss will fade over time and then you will feel the warmth of her glorious smile in each little thing and each day that goes by. We are sorry for your loss and are here for you. Roger and Renee Berry, Heather and Holly Harrison,*
