“ *We met Dannie several years ago on a European river cruise. What a lovely woman! Being from Pennsylvania, we only kept up by email but always enjoyed her warm notes. Our sincerest sympathy to her husband and entire family. She enjoyed last Thanksgiving's cruise and other family events so much with you during her illness. Cherish her memory, as we will.*

“ The first time I ever met Dannie was at a devotional study at Pilgrim's Rest Baptist Church. My first thought was "what an awesome lady". From that point on she has been an inspiration to me. She had a remarkable love and devotion for her family, her church, her friends and above all her Lord and Savior, Jesus Christ. She will be missed tremendously, and remembered as a class act. My prayers are lifted up for her family. Love and miss you Dannie!

“ There are no words that can express my deep sadness for your loss. I will keep you, Julie and your family in my thoughts and prayers. Your earthly loss is a heavenly gain
Although our hearts hurt and mourn in human pain
The fact still remains the same that Heaven has gained more love.

Dannie was a wonderful friend to all who knew her. She had a beautiful smile and a bubbly personality like no other. She loved to cruise and has been around the world. Memories she always treasured. She loved her family and her church. She put up a good fight with the "Bad Boy" cancer. We will miss her, but know that God was ready for this special angel.
