“ *To The Family of David:
I was so sorry to hear of your loss. I just want to tell you what a wonderful son you raised. David took care of my husband and I when ever our heat or air quit working. It didn't matter what time I called him he, he always came right away. He was always polite and fixed whatever problem we had. We really cared for David, in fact we told him we adopted him into our family. He had wonderful manners always said Mr. Gator and Miss Judy. He also would just come to visit and check on us. We will really miss him, but so thankful for the memories. Our thoughts and prayers are with you.
Judy and Gator Wilmut Hopewell, MS.*
