“ *With deepest respect and sympathy to all members of Ms. Della's family, I am sending you all a prayer for healing at this difficult time. I have read that Jesus prays of us. May you find comfort through Him who welcomed Ms. Della into heaven.*

*"What if the brilliant twinkling stars that bring the dark night sky to life are windows looking out of heaven? And at the very moment when we are wishing on those stars, hoping that the loved ones we have lost are happy, safe, and free....maybe they are looking at those same stars from the other side, making the same wish for us...sending us all their love." “ *So many fun and funny memories with your family. Mrs. Wilson is surely busy in Heaven and at peace surrounded by so many that love her. I hurt for my 3 “sisters” who lost their awesome mother. Too much loss in our families to bear this year but I know the love remains. Please know our family loves yours; we absolutely grieve with you. We continue to pray for Sandra’s speedy recovery and GOD’s blessings and grace to surround you.*
