“ *Della, one of my favorite people and favorite friends. We go back a long way, over 45 years. You were a great cook. I remember back in the day when you would cook those great suppers for your family sometimes you'd run me over a plate with everything on it. I found you very affectionate and loyal. Don't see those qualities much today. I miss you a lot.* ”

“ *Aunt della gave me my nickname Bootsie when I was a baby and it stuck till to this day! She's been there for me in times when I had nobody! I'll never forget her and she'll remain forever tucked in my heart! She's now in heaven with my mawmaw and uncle Ricky! Dancing and singing praising the Lord! Rest in peace now Aunt della until we meet again.* ”
