I remember the first time I met him, when I picked him up at the hospital, he seem so sweet. I know he will be missed so much. Remember in the end if we are all saved we will all meet again. He will be waiting at heavens gates along with the rest of all your loved ones. Its really something wonderful to look forward to. Each one of yall are in my prayers, because I do remember how painful it is to part with a love one for just a little bit of time.
