

Don Beazley

August 22, 1944 - September 17, 2020

Mr. Adrian Donell Beazley, 76, passed away September 17, 2020 at St. Dominic Hospital in Jackson, MS. Visitation will be held on Sunday from 5:30 – 7:30 pm at Stringer Family Funeral Home in Crystal Springs. Graveside services will be held on Monday at 10:00 am at County Line Baptist Church.

Don was born August 22, 1944, in Crystal Springs to Adrian Lynfield and Sadie Lewis Beazley. It was a great joy that Don was able to spend time with his wife Nancy recently to celebrate their 55th wedding anniversary while she was in hospice before her death on September 5, 2020. He was a member of FBC Crystal Springs, MS and worked many years in the automotive business until his retirement. Don served in the 162nd Military Police Company in Crystal Springs obtaining the rank of Sergeant. He was quite passionate about following Ole Miss sports and was a well-known and adored pitcher on the softball fields for many years.

He was preceded in death by his wife Nancy Moore Beazley just 12 days prior to entering his eternal home with our Lord and Savior. Oh, what a reunion it must have been for them! He was also preceded in death by his mother, father and brother John Lynfield Beazley.

He is survived by his three children: Tony (Kim) Beazley of Stuart, FL; Brent (Eileen) Beazley of Terry, MS; and Allison (Brian) Hardy of Madison, MS. The

absolute joys of his life were his six grandchildren: Joanna, Sam, Jack, Brooks, Sadie, and Reed. He is also survived by four brothers, Lewis Beazley, Ray Beazley, Roy Beazley and Gene Beazley as well as two sisters, Beverly McDonald and Audrey Whitten. Don also had the hearts of many brothers-in-law, sisters-in-law, nephews and nieces.

As an expression of sympathy, memorial contributions may be sent to the American Cancer Society, P.O. Box 22478, Oklahoma City, OK 73123.

“ Tony, Brent, and Allison—it seems the dust is just now beginning to settle for the *anno horribilis* 2020—a year that will go down in history. People will remember for many reasons why it will evoke feelings of ick. But for me, it will be the grief of the loss of Nan and Don. Too many memories to even begin to list, but as I read some of the other comments I am moved to tears. Nan and Don were a fixture in the lives of so many.

Don was the neighborhood “handy man.” He helped everyone and I know he will be missed by them.

Nan was my surrogate mommy, even though she was only two years older, she tried to take care of me. She fixed my hair (but then she fixed everyone’s). I got all of her hand me downs until I out grew her. She was a tiny, little ball of might who ran the show.

Sport and I were their Best Man and Maid of Honor for a good reason. We were that close to them. Goodness, I missed her so when we moved away to Texas.

They were there for me and the boys when Rick died and all the huge events as well as the small ones. I miss them so much and would say losing them is one of the greatest loses of my life that I will feel to the day I die.

Love to you all. I hope we will see you more in the coming years. All of us miss you all.

“ Donnell had a happy disposition his whole life. I will always treasure his friendship, which began when we were little boys and never faltered. He was a Christian gentleman, a devoted family man, and an exceptionally good citizen. He and Nancy will be missed and remembered fondly by everyone who knew them.

Nell and I considered Nancy and Donnel life time friends . Donnel always had a smile for everyone. We spent a lot of time growing up in highschool and after we four were married. We sure miss you two. Nell and Jerry little

We know there is only way to Heaven and it is not good works. However, if it were one's good works, Donnel would be assured of that spot on the heavenly side of the pearly gates. Besides caring for his wife, Nancy, he was the neighborhood "handy man" who helped do odd jobs for those who couldn't, such as my Mom. He did these, not for money, but because he was a good man and he saw the needs of others. God bless Donnel, Nancy and the family. I, among many, was proud to call him Friend.

We were neighbors of Donnell when we were kids growing up in the County Line Community. Lost touch when we moved from there but knew who this was and remembered his mom and dad as well as the siblings. So sorry to hear of his passing. Prayers for all
