“ *Joey,
It's been many years since I last saw you and your Mother, but I remember she was a very nice lady. You and I played softball with Billy Butler back then. Early 1980's. I know that there is nothing I can say to lessen your grief, but I want you to know that I am so sorry for your loss, and you and Ronnie are in my prayers. As Jan said, your mother could knock the cover off a softball.

“ *I have many, many wonderful memories of Doris. One that lots of my younger relatives might not know is that she used to play softball on a team with her sisters Onnie and Jeanette. I was blessed to play on that team with them. Some of my very favorite memories were playing with them. Doris cut hit that ball harder than anybody.*
