“ I feel very privileged to have worked with Mr. Howell for several months in the ICD Houston yard at various times in the past 3 years. Doug was a very genuine, thoughtful person, always willing to share his vast experience with those of us who showed interest. And he taught us all.

*It was obvious that Doug truly liked people as was revealed in his smile and unique personality. I think Doug had many favorable attributes that could be summed up in one word; Grace. That Grace is a gift that can only come from God. And that Grace will live on in the hearts and minds of all who have known him.*

*Doug thank you for your contribution to everyone at ICD, thank you for being our mentor and role model, and thank you for sharing your Grace with us.*

“*Douglas was my darling cousins husband, Jeannie. While I never knew him well, the times I was around him he was very cordial to me. Doug was a working man, always on the job traveling around the world. He will be sadly missed by all.*
