

Dwight "PeeWee" Richardson

January 3, 1944 - August 26, 2021

Dwight Richardson, 77, passed away August 26, 2021, at Mississippi Baptist Medical Center. Visitation will be 1pm-2:30pm Sunday at Stringer Family Funeral Home in Crystal Springs. Service will be 2:30pm Sunday at Stringer Family Chapel with burial at Crystal Springs Cemetery.

Peewee (Dwight) was born January 3, 1944, to Eva and Wyatt Richardson. He married Marie and lived a happy 54 years as husband and wife. During their marriage Peewee was a loving husband, a great Dad and friend like no other, to young and old. He spent many years playing and coaching sports, he touched numerous lives. If you played with or for him, you played to win. He always said, "bow your neck and give it 110%." He loved the game. He also raised another group of kids through the game room. Oh, the stories and long nights. Friends he made at work were numerous, he was such an infectious personality.

Peewee is survived by his wife Marie, his sons David and Richie (Tina); granddaughter Kara (Tom) Hudson; grandson Wyatt and his little sister, Judy (Tommy) Brown.

To know him was to Love him, man I'd love to untie my shoe one more time just to make it last a little longer.

“ I was so sorrowful to hear of his passing and sorely regret I could not attend his services. I am proud to call him my friend who was always so cheerful and his stories were always so uplifting. I am causing a tree to be planted in his honor so his memory will live on. I pray that God will give his family peace and comfort in their bereavement.

“ We are saddened by your loss of a man who loved others and shared willingly his expertise, Marie and I played softball on the Phillips field and the Jaycee field behind the school. Peewee was ready with advice to help us improve, though not our coach. He was not a person easily overlooked. His personality was big, and his laughter contagious.

Chances are that if you met him, you would remember him. The couple reared two fine young men. Nay God be your comfort.

“ *So sorry to hear of your loss. Anyone who knew him couldn't think about baseball or softball without thinking about PeeWee. He'd always give a word of encouragement and then his little chuckle. He will be missed greatly.*

“ *Was saddened this morning to read of the passing of another old friend and Crystal Springs icon among my generation. PeeWee was a little older than me but a friend nonetheless (as he was to everyone). My memories revolve around the old CS baseball diamond. As a catcher/first baseman, PeeWee lifted his teammates with his infectious energy. After almost every pitch, he'd burst from behind home plate to either throw out an opposing player attempting to steal; fire it to the third baseman after a strike out; wing it back to the pitcher after a good pitch; or toss it (with a nod of his head) to encourage the pitcher to make a better pitch next time! At first base, he was a constant "chatter" generator...always encouraging his teammates. He was the epitome of the 1960s small-town baseball player. That is how I will remember PeeWee as life took us in different directions. He will be missed!*

Dwight/PeeWee was a classmate. I do not think he had an enemy in his life. He was laid back and fun to be around. He was a valued and loved friend. May God bless you all with treasured memories. Glenda Anderson Morgan.
