“ *Connie and I join so many others in prayer for you and your families during this sad time of grieving. We also share in so many great memories of both of your parents and how they so welcomed all your friends. They were like our second parents. Gretchen, please email me both your and Barbara's addresses so cards can be sent. I let several of the old gang know of your mom's passing. Our thoughts are with you today as you say your final good-bye to one great lady. I know your dad is happy to see and hear her again!,*
