“ Elaine was a life long friend of more than 50 years. We met Delta State in Mr. Tatum's science class. I can still see her there how beautiful and alluring like it was yesterday. We became friends then a couple in love. Elaine is a very special lady, smart, kind-hearted with a quick smile and loved to laugh. After DSU we took different paths but always had a love for each other and kept in touch. I worked in the oil fields in the Middle East and her neighbor Sonny Phillips was on the same oil rig and would take my love letters home to Elaine in Hazlehurst. She was the rose I dreamed about in the Aghajari desert.

Elaine was my first love and showed me how to really enjoy life. She cared for others and believed in being true to yourself, always Elaine connected to the heart of my soul. She loved cooking her home up on the hill and taking care of that huge yard. I never saw it but talked about it often. I feel so sad that I could not be there when Elaine passed on to Heaven, to be with other angels.

“ *An excellent teacher, we worked together at Hazlehurst, she taught 7th grade Science and I taught 8th grade Science, I hate to break the news to my Daughter, she was the most loving and kindest teacher that you will ever find, the children loved her. RIH Ms Hood.*

“ *My heart was saddened to hear of Elaine's passing. We were in the Class of 68, a small class, but full of love for all our classmates. She was a precious friend that will be missed by so many. Rest well, Elaine!!* ❤️❤️
