“ Your mom and I were best friends and I babysat both of you sometimes. We used to ride around the country roads and just hang out together. I will miss her very much. I live in Yazoo City now and haven't seen her since Mama died in 2016. We talked on the phone and tried to keep in touch. I am sorry that I can't make visitation or the funeral because I have to work. Just know that my thoughts and prayers are with you. She was my best friend for years.
