“ *To jest moje ulubione zdjecie z Babcia - moja inspiracja,
spiritystyczna mentorka i moim nieustannym przykladem jak patrzec
na zycie! Twoich lekcji zyciowych nigdy nie zapomne! Kocham Cie
zawsze i wszedzie! Asia This is my favourite picture with Babcia
- my inspiration, my spiritual mentor and my constant
example of how to look at life! Your life lessons will never be
forgotten! I love you always and wherever you may be! Aska,*

“ *This photo and the following ones, found itself here
"accidentally" in my uncle's photo album... I put it
here thinking of Grandmother, Mother,
Great-granmother, and
Great-great-grandmother... loved on three
continents (including Asia for a short while)...
Woman who was not afraid of new experiences and who enriched
our lives with love and simple truths about life. She even had
an impact on people she's never met! I feel humbly honoured
that she was my Grandmother, whom I had a chance to get to
know more intimately in Canada and to learn a lot from her. I
am eternally grateful and your legacy of wisdom continues
expanding further into the world through all the lives you touched
directly and indirectly...,*

“ *Niehcacy to zdjecie i reszta znalazly sie w albumie Wujka Wojtka... Wlozone tutaj przezemnie w myslach o Babci, Matce, Prababci i Praprababci... kochanej na trzech kontynentach (bo w Azji przez chwile tez)... Kobieta ktora nie bala sie nowych doswiadczen i ktora wniosla w nasze zycia milosc i proste prawdy zyciowe; ktora nawet miala wplyw na ludzi ktorzy jej nigdy nie poznali. Czuje sie skromnie zaszczycona ze byla ona moja Babcia, ktora mialam szanse blizej poznac w Kanadzie i wiele sie od niej nauczyc. Jestem Ci ogromnie wdzieczna i Twoje dziedzictwo madrosci idzie coraz dalej w swiat...,*
