“ Gary and I were long time friends. Being three years older than him, he was in Junior high when I was in high school. We both played football and wore the same jersey, #64. One Jr. high game, he got his collar bone broken and they had to cut the jersey off. Being frugal (cheap) they had it stitched back up instead of getting a new one, so I wore the "Frankenstein" jersey the remainder of the season. Gary was a good man and friend. He will be missed by all who knew him.
