Thank you so much! It was important to his family that they honored his request. You made that possible! Thank you!

“ He worked closely with my Mom Vona Goza at Hardy Wilson Memorial Hospital in Hazlehurst for years. I would see him occasionally when I would go by and visit my mom at work. He will be truly missed and I am praying for you and your family to get through this. I only wish that I could be there in person but since I live in Yazoo City and recovering from an accident I can't make it. My prayers and thoughts are with you and your family.

Guess I was mistaken about him working with my Mom at the hospital or the Ambulance service but I knew his mom and Kathleen from working at Hardy Wilson with my Mom, Vona Goza, sorry about that but my thoughts and prayers are with your family.
