“ *To the Family, I have not see Buddy in long while but have followed him through his Mother as she is my dearest cousin. I knew he was very ill but did not know he would have left this world so soon. The family has had several losses in the past few years and I am praying for you all, even the ones no longer with us. May God Bless you all in this time of sorrow.*

I will not be able to attend Buddy's services as I do not drive very far anymore, however you will all be in my thoughts on Saturday.
