“ *Heidi had been a friend for many years and even though we didn't see each other much we still contacted each other by text, phone to keep in touch. I was also a nurse with her at the University hospital. She was a sweet fun person and I enjoyed talking to her and sharing our nursing stories. I will miss her so much.*

“ Heidi's smile was infectious. Her spirit was dynamic. She is leaving a void in so many lives but we know she is with her Heavenly Father and was welcomed by her earthly father. I pray for each of you that God will surround you and keep his loving arms around you. I love my Jackson family.

“ *Heidi brought joy. She was a high school cheerleader who brought cheer with her. Never arrogant or proud, she has left a trail of friends wherever she went.. She attracted others because she was interested in them and cared for them. I have seen and talked to her only rarely since her high school days, but I loved her sweet spirit and love.*
