“ *So sorry to hear of your aunt's death. My mother is a guest at Pine Crest and I visited with your aunt several times over the past few weeks. We chatted about Jack and Crystal Springs and visited in the dining room as well. I was visiting with my mother one day as David was visiting with her in front of the nurse's station and he was so sweet and attentive. All of you made her feel much loved. You did a good job. Thinking of you and praying for you,*
