

Herbert Edward (Ed) Fisher

August 24, 1951 - February 21, 2022

Herbert Edward (Ed) Fisher passed away February 21, 2022 at the Baptist Hospital due to complications from COVID at the age of 70. Stringer Family Funeral Home in Crystal Springs handled arrangements.

Ed was quite a character and lived life to the fullest. He would make you laugh when telling you stories about his life's adventures which he had many. Ed was a great cook and well known for his cheesecakes and bread pudding. He loved to hunt and just being outdoors. Ed was a U. S. Army veteran. He loved to listen to music.

Born in Matthews, N.C. to Herbert Holland Fisher and Carolyn Moser Fisher on August 24, 1951. Having lived all over due to his dad's job with Pillsbury and then his own adventures. Like his father, Ed had a good business mind owning several businesses throughout his life. His black powder gunsmith business was his favorite. Ed could take a nothing stock and turn it into a beautiful one.

Ed was a loving and supportive father who shared a wealth of knowledge and was always there when needed. He was always there to teach and guide and was a shining light that even in passing can not be dimmed. Proud to have had him as a father and friend. Now safely home in heaven.

Ed was preceded in death by our son Matthew Edward Fisher, his parents Herb and Carolyn Fisher, and grandson, Quinton Mark Fisher.

Ed is survived by his wife, Linda, son Benjamin (Kim), grandsons Ethan, Thomas, and Liam, brother Jim (Adrienne), sister Cindy, niece, Zoe, Nephews Ian and Alex.

Ed will be cremated and interred at a later date.

“ *I would give anything to hear your fussing, cussing, and talking to yourself again. Can still see you going back and forth on the tractor trying to get the driveway just right. Look around at all the projects you started..I will do my best to finish for you. I will be forever lost without you. My love forever and always.*
