“ *Gene Gordy's friendship gave me courage and strength when at eighteen and after one college year I spent the summer of '71 as the youth director at Hazlehurst Methodist. She made me laugh, and gave me a shoulder to cry on. I leaned on her a lot that summer, and her words of encouragement still live in my memory. My condolences to Dianne, Sheri, Janet, and Skeeter. Wish I could be with you Saturday to pay my respects in person to a truly great woman. John Tanksley, missionary surgeon Springfield, Mo.,*
