“ *To the family of my dear friend Inez, Inez was a precious and close friend to my grandmother, Hattie Bell Clower, for many years. I loved the phone calls when she would tell me stories of some of their times spent together. We could have quite lengthy conversations with lots of laughter and information about the "GOOD OLE DAYS". She was a fine Christian lady with a remarkable sense of always repeating good memories of many friends we had in common. Inez had such an eloquent way with words and was such a beautiful lady. It was my pleasure to get to know her and she will be fondly remembered as a dear friend.,*
