“ *What a precious woman your mom has been all of her life. She played a huge role in my life for all those many years she spent in the agency with Herbert. She is family and will forever be in my heart. Memories will always make me smile. No children ever had a more devoted mom or grandmom. Her devotion to God, family, and her church is a model women should strive for. I will be with you in spirit as you celebrate her life. She is with her beloved Lit now and is soaring on angel wings. Tears as we say goodbye and joy in all memories. God bless you, Bobby and June... God demonstrated his great love for both of you by giving Inez to you as your mother.*
