“ *Ms. Stephens was my neighbor across the hall from me. It was not unusual to find her sitting outside most evenings and always joking with me and my grandchildren when we came home. She always was concerned for us and was constantly a help on matters. She will be greatly missed by me and my family. I always felt secure when her door was open.....and I will miss the caroling at Christmas in the hallway....,*

“ Miss Inita brought fun to any activity we had at the church. She was ALWAYS willing to help, physically and monetarily as she could. Her special "talent" was doing the ice when we had events in the fellowship hall - no one could separate the ice as well as her so that was her given job. She will be forever remembered in the hearts of those who knew her. A very special lady who never complained about her own aches and pains. Love you, Inita; and you are already having a blast with Ray and Chuck and all the others who waited in the arms of Jesus for you.,
