“ *Dear Aunt Dot and Family, I am so sorry about Uncle Buck passing. I have really good memories from my visits to you in my childhood. I will always remember his voice...low somewhat gravelly...having to really listen when he talked. I remember him taking me on my first motorcycle ride..thought I was going to die on the backroads of Mississippi. I remember his extensive tool shed, how he could build and fix just about anything. Most of all, I thank hiim and you Aunt Dot for allowing a city boy to experience country life. I do hope the long years together will provide you and your family a lifetime of memories. Love and caring Gene Usner,*
