“ *Mary and Martha, please know that you are in my prayers. We always enjoyed visiting when I played at the Nursing Home, and I've missed the visits. She was always there when I came and we could reminisce about "all things, Terry", LOL!*

“ *I met Ms Jean at Copiah Living Center, and visited her often to hear some stories. She loved picking on my husband, telling him she was gonna kick him if he didnt behave. I would tell he to do it because that might be the only PT she got for the week. She will be dearly missed. Rest now sweet lady, and watch over those down here.*

Mary and Martha, seems she had a long and fruitful life and it had to be rewarding to her to have brought up two fine ladies as you. It is always difficult to say good bye to your Mom but our faith tells us we will see them again. Carole and I will be praying for all the family and hoping that one day we'll meet again. Love you, stay safe and God Bless!
