“ *Jeannie Cheramie Howell was my first cousin, daughter of my Dads brother Manny. We shared time during the summers as we lived in different cities. She was always kind to me and my family, she loved my Mom. Over the years we always stayed in touch. I loved her like a sister, we shared so much. I recently visited with her in August while she was hospitalized, little did I know that would be my last time to see her. I know she is at peace now with Charla, Buddy & Doug, free from all the pain she has been through for years. Good bye my lovely cousin, I will surely miss you...I do already.*
